

PLUMBERS LOCAL UNION 98

servicing Detroit since 1893

Dear Applicant,

The Local 98 Scholarship Committee is pleased to announce that we will be awarding three scholarships to children of Local 98 Members this Fall semester 2022. To be considered, the enclosed application must be completed and submitted along with the following information:

1. Letter of acceptance from a four-year accredited institution of higher learning, community college, or a school that provides training in a specific trade, occupation, or vocation and is required to be licensed by the State of Michigan or other state in which the school is located.
2. Official school transcript verifying a cumulative grade point average, with a minimum of 3.00 G.P.A., for high school or current post-high school education.
3. United Association card number and date of initiation of Parent/Guardian.

The above information can either be emailed to office@ualocal98.org or mailed to the attention of the Scholarship Committee at the address below. This information must be received prior to June 30th, 2022.

Previous scholarship recipients are ineligible for participation.

The drawing will be held around or at the July Union meeting to determine the three scholarship recipients. Traditionally scholarships are presented at August meetings, but with the uncertainties that we still face due to Covid-19 that may not be possible. Payment of the scholarship will be made directly to the educational institution on behalf of the recipient or directly to the recipient.

If we can be any further assistance, please do not hesitate to contact the Committee Chairman Jim Cools at jcools78@yahoo.com or (734)307-9841.

Sincerely,

Scholarship Committee
